A SUBE CURE FOR CANCERS.

MY Wife, having labored under one on her breast for some time, and having tried different trentment, I concluded to undertake it myself, and in less than three months i effected a complete cure: although she had been given up by her friends as being beyond the reach of any cure, she has for the last year enjoyed better health than she had for many years previous, and has since given birth to a fine child, which she nurses herself. I have also treated several other cases, and have met with the same

MARBULIZED IRON MANTELS.

THIS magnificent style of Mantel is fast taking the place of all other descriptions, both on account of its supe-or heauty, richness, durability, and particularly its cheapers. While their cost is only about half that of the real

carble, they indeed exceed the former in licanty, have a aperior lustre, are less liable to soil, are much easier ept clean, and far exceed marble in durability, and are, at

ie same time, less liable to bresk. The undersigned are agents for the manufacturers, Wal-

ace, Lithgow & Co., Louisville, Ey., and will furnish them

to their patrons, and the public generally, with grates, sum-ir er pieces, and every thing complete; and will also super-

ntend their putting up.
